Package order includes

- 1) New 2025 open mated queen and 3+ LBS of bees.
- 2) 1 small starter bag of **SPRING** pollen patty with **NO** egg or soy in them.
- 3) Arrival time is LATE (Fri) **4-4-25** but is WEATHER DEPENDANT! It might change!
- 4) Pick up times and location to be announced. Normally after 7am at my house unless you are on Monday's loop towards Eastern Idaho and Wyoming.
- 5) If you are not available this weekend, arrange to bring me your hive and sugar water **before** I leave to get packages. This has worked well for our armed service people.

Signature _____ Date _____

ORDER IS PLACED ONLY WHEN DEPOSIT IS RECIVED

***The packages MUST be picked up by sunset on the last pickup date (Sun, 4-6-25). The bees can't stay in the packages any longer. They run out of food and die. They will become mine if they are not picked up! I'll not let them die sitting in a package because they were not picked up.**

**** When I order the bees, they are prepaid and I can't cancel the order from my supplier. If you change your mind, YOU WILL need to find somebody to take over your order, NOT ME. If you don't find someone, that package will be DONATED. I'll choose the organization, school or kid. I'll make that choice!**

*****Monday's run towards East Idaho and Wyoming. Those packages have a DIFFERENT shake date! They are also loaded first in the trailer so they are the last out.**
